FIFTEEN CENTS

Eg er Arni Jonsson Eg er frá Borgarnesi

ARNI JONSSON

(In case you can't read Icelandic, the headline above says, "I am Arni Jonsson. I'm from Borgarnesi.")

In all of his 17 years, Arni Jonsson had never left his native country of Iceland.

It is a beautiful island, about 625 miles west of Norway and about the size of the state of Kentucky.

Contrary to its name, it isn't a land of igloos. There's a saying: "Iceland is green and Greenland is ice."

In Iceland, Arni says, the temperature never gets colder than 5 degrees below zero (maybe in December or January) and it never gets warmer than 56 above (probably in August).

Arni likes to be called by his nickname, "Addi." So when introducing him, you would say, phonetically, "This is Addie Yon-son."

ADDI WANTS TO TRAVEL, and his first big trip was by air from Iceland to O'Hare Field. He will be the Antioch Rotary Club's exchange student at the local high school during the coming year.

Addi was picked up at O'Hare by Vern Thelen, Rotary's president with whom he will be staying for a few months. Later he will live with other Rotary club families, just as Jean-Marie Palu of France did in the past year.

Addi speaks and understands English fairly well. He is a

THE AGONY OF VICTORY? Little 2½-year-old John Sheldon wasn't upset because he was one of the winners in the Moonlight Madness pajama contest here last week. He had just tripped and fell while coming up to pose for the picture. His

mother, Mrs. John F. Sheldon of Lake Villa, comforts him. Other winners were Heather Sheldon, 6, holding the candle, and Stacy Hove, 10, of 977 Victoria St. (more pictures on back page.)

Tournament dates are Sept. 11-18

Because of the Labor Day weekend, the committee for the second annual Antioch Open golf championship has decided to extend the deadline for entries to 12 noon on next Tuesday, Sept. 6.

Golfers can mail in their entries before or during the weekend, or bring them to the Antioch News office, 950 Main St.

THE OFFICE WILL BE OPEN Saturday from 9 a.m. until 2 p.m. and from 9 a.m. until 5 p.m. on Monday, Labor Day.

Also, entries will be accepted from 9 a.m. until 12 noon on Tuesday.

The 36-hole tournament will be played at Spring Valley Country Club in Salem on two Sundays, Sept. 11 and 18.

An entry blank appears on the next page. Blanks also are available at Spring Valley and at the Antioch News, 950 Main St.

THE TOURNAMENT COMMITTEE, Bill Nauman, Mike Haley, Jack Fields, Rich Higgins, Pres Reckers and

Entry blank on page 16.

Jerry Pfarr, is hoping another 30 or 40 golfers will enter by the deadline. Thirty-five already have signed up and a field of 60 to 80 golfers is anticipated.

More than 50 played in last year's first annual Antioch Open and expressed their pleasure at being able to play 36 holes of tournament golf against men of their own ability.

Most of last year's contestants are returning this year.

There are three flights: championship, for players who shoot in the 70s; Class A, for those who shoot in the 80s, and Class B, for golfers who usually score 90 or over.

FOLLOWING IS A LIST of the golfers who had entered before 12 noon on Monday of this week:

Championship class - Clifton A. Houghton, C.L.

WELCOMING "ADDI" JONSSON of Iceland to Antioch were members of the Rotary Club, which is sponsoring his coming year at the high school. From left: Vince Patla of the Brave Bull, first

likeable, bright and friendly young man who probably will make a lot of friends here.

HE WANTED TO SEE the United States but found it a little strange in his first week here. Luckily, he was in the

comforts of the large and friendly family of Vern and Bunny Thelen.

On the way from O'Hare Field to Antioch, Addi saw the steady stream of traffic and asked: "Is it always like this?"

Yes, it is.

Then, at the Thelen's home, Vern saw that Addi was listening carefully to a noise he had never heard.

"What is that?" asked Addi.

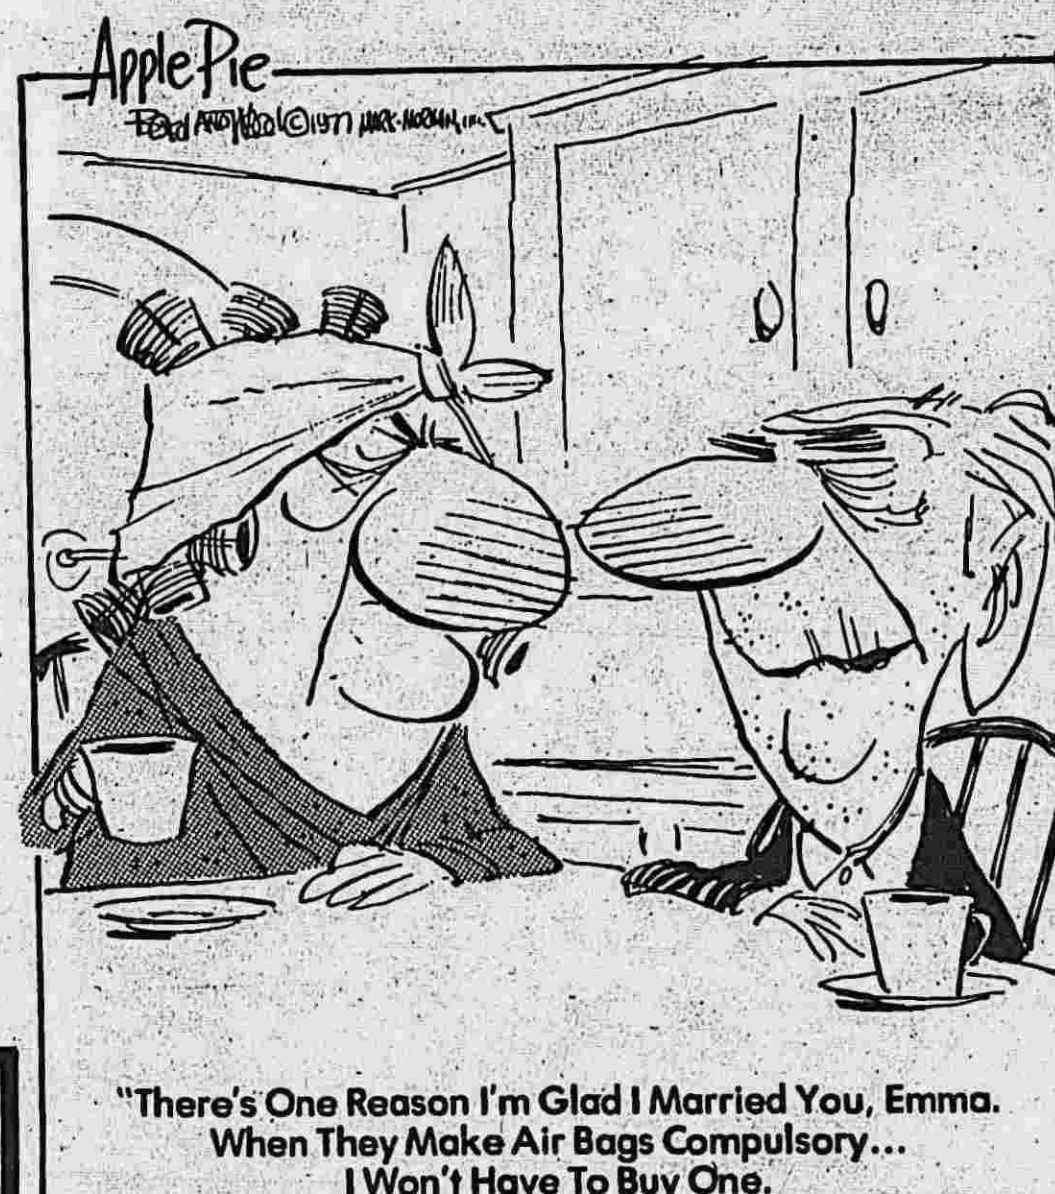

"It's a cricket," smiled Vern. Apparently they have no crickets in Iceland, so Vern went out and caught one for the lad.

IN MANY OTHER WAYS life in Iceland is very much the way it is here. The boys wear their hair just as ours do, and they dress similarly.

Addi plays a good brand of basketball and Vern says he displays a neat jump shot when the Thelens gather for games in the driveway. Addi also is adept at track and field, both in running and jumping events.

He describes his native country as very hilly, with beautiful waterfalls and flowers of all kinds. The 80 and 90-degree weather he experienced here last weekend must have been the hottest he has ever known.

Wait till January!

Police catch 2, charge them with theft

Two Mundelein brothers, 19 and 17 years of age, were taken into custody by Antioch police shortly after midnight Sunday.

They were caught by Officer Harold Mason in the lot at Teresi Chevrolet-Oldsmobile. The young men were charged with "theft over \$150" and taken to the Lake County jail for a bond hearing.

Officer Mason said he was on routine patrol and when he checked the car lot on Rte. 173 he saw a young man running and carrying two bucket seats.

Mason yelled for the subject to stop, but the young man fled into a field. Mason then spotted the 19-year-old Mundelein youth inside a van and ordered him to come out with his hands up. The youth was searched and handcuffed.

Mason radioed for assistance and more Antioch police came to the scene.

The young man who had fled dropped the two bucket seats, a bag of tools and an AM-FM radio, police said.

The Mundelein youth in custody told the officers that a pickup truck was coming to get him. Police then saw the pickup pull into the animal hospital driveway, just west of Teresi's, and then come toward them with only one headlight.

They stopped the pickup and the driver turned out to be the 17-year-old brother of the 19-year-old who already had been caught.

A juvenile female suspect also was in the truck, police said.

The three young persons were taken to the Antioch police department for processing. They gave officers the first name of the youth who got away, but said they didn't know his last name.

The search for that suspect is underway.

The older Mundelein brother admitted entering the van and removing the seats while his accomplice took out the radio, police said.

Kelly wins swim!

Next:
volleyball

By JERRY PFARR

The superb swimming ability of Tom Kelly, president of the Antioch Savings & Loan Association, was properly demonstrated on Tuesday evening of last week.

Mr. Kelly raised \$200 for the Antioch Swim Club youngsters by beating a group of State Bank "athletes" in the Great Antioch Swim Challenge held at the Aqua Center.

Bill Brook, president of the State Bank, contributed his half of the \$200 and displayed splendid sportsmanship when he presented Mr. Kelly with a huge trophy.

(Actually, it was an old trophy dragged out of the bank's storage room. They just flipped the plaque around and engraved words fitting to Kelly's accomplishment.)

A FORMER COLLEGE SWIMMER, Mr. Kelly covered 54 laps of the pool (about a mile maybe) in the half-hour of swimming. State Bank swimmers, led by dapper Wally Jaskowski, made 40 laps, according to the most reliable authorities we could muster.

Jaskowski estimated the crowd, in his usual conservative fashion, at 3,240, despite a steady drizzle of rain.

(It is also understood that a post-swim party was held at The Country House and Mr. Kelly signed Mr. Jaskowski's name to the check.)

Mr. Brook showed up at last Thursday's Rotary Club meeting wearing a black band around his arm, suitably mourning his team's loss.

BUT THE STATE BANK isn't finished, say Brook and Jaskowski. They are challenging the Savings & Loan to a volleyball duel, which probably will be played in the next couple of weeks.

Both Kelly and Brook denied they are hiring Wilt Chamberlain to temporarily work at their financial institutions so he would be eligible for the volleyball frolic. "We don't need Chamberlain," Jaskowski snapped. "I run a volleyball league in Powers Lake and I know all about this game. I know talent when I see it."

He didn't even point to all the pretty girls working at the State Bank when he made that remark.

Horse sense? Wasn't it the horse who was afraid of the automobile at the turn of the century, when pedestrians were laughing at it?

• Here are ways to help your preschool child: Serve small portions of foods, like smaller glasses of milk or juice; also medium-temperature foods, rather than too hot or cold. And finger foods are easier for tiny hands to handle, like wedges of egg or tomato, or little cubes of meat or cheese, or carrot sticks.

• Cereal foods are great extenders. Used with more costly protein foods, they help make more servings—like spaghetti and meat balls, for example. Oatmeal can be used in meat loaf. Dry milk makes the loaf larger, too. Bread crumbs or ready-to-eat cereal make good casserole toppings.

THE TOWN CRIER

If this column isn't as wonderful as usual it's because the time we normally spend writing it was used up when we spent what seemed like a couple of hours trying to make a left turn off Broadway onto Lake Street.

Then we parked our car in the village lot next to Barnstables, but the spaces are so small there that we were trapped in the driver's seat for two hours. Couldn't get the door open.

Later in the day, however, we noticed that someone managed to get his or her car out of that lot. But only by putting a \$100 dent in our fender, then driving away without even leaving a note.

Otherwise, Antioch has been a nice place in which to live for another week.

YOU'VE HEARD ABOUT Kansas City's "Kissing Bandit," of course.

The Kansas City Royals' security force knew she was coming but couldn't stop her.

Buxom Morganna Cottrell made her way onto the field despite the efforts of security men who were scanning the stands in anticipation of her assault.

She was arrested after being escorted off of the field. But not before the Columbus, Ohio, housewife planted a kiss on the cheek of Kansas City third baseman George Brett.

Royals' security officers had been on the lookout for Morganna, who, when not a housewife, takes her clothes off at theaters under the name, "The Wild One."

Now you know why those six guys are standing around third base over at the Little League park. They're hoping she'll show up.

We have figured out why Lyndon Johnson and Richard Nixon weren't popular as Presidents. Neither they nor their brothers had charisma.

John F. Kennedy and his family were full of it, of course, and Jimmy Carter is blessed with a brother who has it.

(Charisma, incidentally, is that over-used word which is defined as "a special inspiring quality of leadership.")

Jimmy Carter's brother, Billy, has little claim to fame ... but most of this country seems to like him because he runs a gas station, drinks beer and is outspoken.

Billy phoned us from Plains, Ga., the other day to say he was coming up this way to visit the Milwaukee breweries. He said he'd like to stop at the Antioch News for a chat. So in the near future we'll be bringing you the story of that interview.

ANTIOCH'S FIREMEN aren't afraid of the Jaycees after all. They're going to clash in a softball game with the date to be announced soon.

Lindenhurst to get more new homes

Illinois Communities Corporation, also known as U.S. Home, has announced plans for Waterford Woods on Grass Lake Rd. in the Seven Hills area of Lindenhurst.

Jack McNeil, a vice president of the firm, estimates they will build 80 to 100 homes a year for the next three years.

HIRING FOR THE PROPERTY will be done locally with an immediate need for subcontractors, sales, secretarial and general office help.

Housekeepers and maintenance people to keep the property in order will also be hired as the project progresses.

"We are 'good neighbors' wherever we build. In order to have excellent construction that is consistent throughout our development of Waterford Woods, we hire reliable local people and keep them with us permanently," McNeil said.

One company moving into north Lake county may not, at first, seem to be much of a boon, but its impact on a community can be easily seen in figures from the U.S. Chamber of Commerce, he said.

"THEY INDICATE THAT 100 jobs provided in a community will bring 97 new families, add \$1 million in personal income to the community, (1 new fireman, 1 new policeman, 4 new teachers, 4 new classrooms) 500 more library books, at least 1 new retail store, 68 new service jobs and \$500,000 in new bank deposits. Since most of the people hired for Waterford Woods will be semi-skilled at least, the return to the Lindenhurst area is expected to be even higher," McNeil said.

He said, "This is only the beginning of the money that will be generated in the area by Waterford Woods. Other statistics indicate that homeowners spend 80 percent of their retail spending dollars within the area in which they live. This is for the essentials of daily living like food, clothing, and gas and oil to run their cars.

"Another 6 percent is spent for services including doctors, dentists and pharmacies, drycleaning, shoe repair and automotive service. When you consider that our homes will be priced in the low 60's and up, and that the average income of our residents will be approximately \$25,000, you begin to see what that will mean to this area. About 100 homes in 1978, in resident spending alone would mean an additional \$2,000,000 in retail sales and another \$150,000 annually in services."

"THESE FIGURES ARE exciting," said McNeil. "We're very enthused about Waterford Woods and the entire Lindenhurst area."

Waterford Woods will have four models and hopes to

50 YEARS AGO: AUGUST 29, 1927

With this issue the Antioch News completes its 40th successful year of service to the community. It began as a handbill on colored paper, with the most meager of hand equipment. It has grown with the community and has followed the sons and daughters of the region into distant states and foreign lands. Many of the little band who waited with interest for the first issue have remained its readers. In the 40 years the paper has changed hands three times. Its founder, J.J. Burke, after publishing the paper for 15 years, sold it in 1901 to A.B. Johnson, who conducted the business until 1920 when he sold it to the firm of Horan. Later, John Horan transferred the business to the present owner, H.B. Gaston.

The cedar Crest Country Club grounds at Fox Lake, 3½ miles southwest of Antioch, is where Champion Gene Tunney will train for his title bout with Jack Dempsey. Tunney will have plenty of diversions from the boxing grind since the club grounds border Fox Lake and Gene is an ardent fisherman.

We wonder what method "One-Eyed" Connelly, the famous gate crasher, will use to get a ringside seat at the Tunney-Dempsey fight in Chicago on Sept. 22. He has frequently disguised himself as a frankfurter salesman, and at one of the championship battles his ticket was bucket of water containing several bars of soap in the form of lemons. He convinced a doorkeeper they constituted lemonade. Once he rushed through the gate, disguised as a carpenter, shouting that the ring had fallen down and he had been sent to fix it.

The Corna Pen Company's new factory being erected on North Avenue is nearing completion. It is planned to employ about 75 at first, equally divided between men and women.

20 YEARS AGO: AUGUST 29, 1957

Mayor Murrill Cunningham was one of the judges in the opening parade of the Fox Lake Golden Jubilee there Saturday afternoon.

Antioch Township, largest township in the county, will be a tax valuation of approximately \$30 million for next year's collection, John P. Miller, assessor, announced Tuesday as he began closing his books for the last time. He will turn over his duties to the newly elected Anthony J. Scully soon.

Officers of the Antioch American Legion will be installed at the Legion hall on Ida Ave. Taking the oath of office are Dr. George W. Jensen, commander; William Brook, vice commander; George Swenson, junior vice commander; Marshall Plechaty, sergeant-at-arms; John W. Horan, chaplain; Edward Frazier, adjutant, and Herbert Litchfield, finance officer.

10 YEARS AGO: AUGUST 31, 1967

The board of Directors of the Antioch Township Library are moving ahead with plans to finance the construction of a new library. The Board gave approval to a \$200,000 mortgage on the library property, with L.M. Woods of the First National Bank as holder of the trust deed. The 10-year population projection estimates the library will be serving a population of 16,600 by 1976.

Antioch High School will open Tuesday with eight new teachers on the staff. They are Mrs. Donna Baird, Mrs. Cheryl Bassler, Mrs. Rebecca Daehler, Theodore J. DeRousse, Mrs. Charlotte Kelly, Eugene Lischewski, Robert Rumkus and Morris Sharp.

PM&L directors Valerie Hunley and Ken Smouse are announcing tryouts for two productions. Valerie is having tryouts for "Heidi," a play based on a long-loved children's novel. There is a special need for yodelers.

Ken Smouse is directing directing "Ready When You Are, C.B.I." It is a comedy, nicely oddball and distilling charm, laughter and a touching sense of truth.

Angie Maras did it again at the 1967 State Fair, winning the cotton contest. Angie had 11 entries and won 9 prizes. She also was interviewed on WGN radio and discussed Phyllis McMillen's "History of Fashion" show.

Johnny Gilbert, a Midwest Tag Team champion, will oppose the "Destroyer," heavyweight masked man. The "Destroyer" vows he will take off his mask if defeated. Over 40 and dragging? Here's how to perk up...

By FRANK CHAPPELL

Many men over 40 fight their own physical fitness. These are men who assume that because of their age they no longer are capable of much physical effort. One of the greatest dangers to men past 40, says the American Medical Association, is lapsing into sedentary ways, either because of job confinement or sheer laziness.

The male past 40 is advised to do two things with regard to physical exercise —

IF NOT REASONABLY ADEPT at a specific sport — bowling, golf, tennis, swimming — take instruction in at least one of these, or some other form of recreational sport. Learn to do it well and it will be fun to keep fit.

Take an inventory of physical activity in the course of your regular daily schedule. This includes physical activity at home and on the job. It might include gardening and maintaining the home, sports activities and regular workouts. Often these do not provide enough activity.

FOR THE SEDENTARY PERSON who decides to become more active, a good start is walking. This means a brisk posture walk, holding the belt line level and raising the breastbone. Then, in addition to regular physical activity, devote part of the weekend to a pleasant physical activity like golf, bowling, dancing or swimming.

Fifteen minutes of regular exercise every other day is hardly enough to produce results quickly, but it is a good start. Over a period of time the benefits will be evident.

With regular exercise, the sagging, dragging middle-aged will begin to exhibit a total change in his attitude, enjoying meals more and showing more interest in home and work. Physical appearance will be more vital.

For the man past 40 who decides to begin an exercise program, a physical examination is advisable, to make certain there are no conditions that would limit exertion.

WORDS OF FREEDOM

We, here in America, hold in our hands the hope of the world, the fate of the coming years; and shame and disgrace will be ours if in our eyes the light of *high resolve* is dimmed; if we trail in the dust the golden hopes of men.

—Theodore Roosevelt

Carolyn Van Patten, mortgage officer for First National Bank of Antioch, is putting her knowledge of real estate and mortgages to work.

With her own home now under construction in Antioch, Carolyn is supervising its construction and gaining valuable knowledge of home construction to pass on to her customers at "First Bank."

Carolyn also is busy advising the bank's home loan customers on the details of building or buying a new home.

Carolyn said she gained her knowledge of real estate loans through her nearly 10 years at First Bank of Antioch. She has attended American Institute of Banking courses, the Ball State seminar for junior officers, and recently graduated from the National School of Real Estate Finance.

She has also worked extensively with VA and FHA home mortgage loans as well as conventional mortgages and construction loans.

CHANNEL LAKE CHATTER

By LOUISE GUTOWSKI

Well, what a wonderful week. The kids are back in school and the house is so peaceful ... don't you just love it?

Along with all the children being back in grade and high school some of our local kids have hit the college trail, including George Pierce, Bob Gossman, and Mike and Bill Harland.

Mr. and Mrs. Mike Robinson have taken residence in DeKalb, where Mike will resume his pre-law studies at the university. Mrs. Robinson is the former Jean Bjork and the daughter of Don and Barb Bjork.

BOB AND LORRAINE LEMKE and children Jeff and Susan, Tom and Dorothy Furman and son Eric Enzenbacher, and Don and Barb Bjork and daughters Janet and Jackie spent a recent weekend camping at Trout Valley in Wisconsin.

From Trout Valley the Bjork family journeyed to the Dells where they visited friends Jim and Jeri Morton. They also spent some time visiting relatives in Reedsburg, Wis.

Holly Enzenbacher spent a great vacation in Phoenix, visiting her godparents and relatives. While there she was able to visit some great sights, including the Grand Canyon, Flagstaff and a real ghost town.

Holly also enjoyed something girls of all ages love to do and that's lots and lots of shopping. She is the daughter of Dorothy Furman and will be a junior at Antioch High School this year.

AREA STUDENTS Nancy Harland, Lorna Whitton, Cindy and Sherri Irmien, Dave and Paul Zeien and Jim Gutowski spent a week at the band and choral camp at Covenant Harbor on Geneva Lake in Wisconsin. The kids had a great time and also had to work very hard as the parents found out on Friday night, Aug. 19, when they attended a concert by all the students under the direction of Mr. John Olisar, band director, and Mr. Ralph Brooke and Ms. Chriss Hanson, vocal directors.

If the concert is an indication of the students talent, I can hardly wait for the football games to see that marching band and the annual concerts the school presents.

SECOND GRADE TEACHER Jean Soby spent a very busy summer traveling from East Coast to West Coast with many stops in between. One of the highlights was a visit to the nation's capitol with friend Mary Birman. They had their picture taken on the steps of the Capitol with Congressman McClory. Jean will have endless stories to tell her students on how she spent her summer.

Congratulations to Vince and Linda Turley on the arrival of their new son on Aug. 6 and to Dan and Kathy Groth upon the arrival of twin sons on Aug. 8.

The Woodcrest subdivision will be holding a bake sale on Lake Ave. and Willow Rd. on Saturday, Sept. 3. In case of rain it will be held in Mary Chase's garage.

A VERY EXCITING evening was spent by Paul Chase and Jim Gutowski last Wednesday when they attended the Neil Diamond concert at Alpine Valley in East Troy, Wis.

The boys just can't say enough about that great talent. When Jim got home he was lucky enough to get through to Ed Swartz on radio station WIND and give a first-hand review of the performance.

Neighbor Joanne Franz was also among the 18,000 fans at the concert and she, too, is shouting the praises of Neil Diamond.

The Gutowski family was surprised by a visit from former Antioch resident Sue Poulos Sunday evening. Sue is spending a couple of days visiting her

grandfather Ted Poulos and her aunt and uncle, Marge and Tom Poulos of Antioch.

Sue now makes her home in Stanford, Conn., with her parents Pete and Joanne and sisters Cindy and Kathy.

From here, Sue will go to Hayward, Wis., where she will visit her grandparents, former residents, Kate and Onno Haak.

Have a nice week, and let me know the news ... Louise.

Hear tell one of Antioch's better and more successful parties was held last Saturday night.

It was a surprise 25th anniversary party for LaVerne M. Woods, president of the First National Bank, and his wife, Joyce.

About 50 of their friends decided to surprise "Woody" and his bride of 25 years at their home, after two friends took the couple out on the pretense of a round of golf.

Woody and Joyce's daughter, Dawn, along with Nancy Jablonski, were among the instigators. And they kept it a complete secret.

Dawn's invitations included Xerox copies of a picture of her parents cutting the wedding cake on Aug. 28, 1952, plus a news account of the wedding.

The outdoor party was blessed with nice weather and attracted Woody and Joyce's Antioch friends as well as banking associates, and family and friends who came all the way from their hometown in New York state.

One of the highlights was a mock wedding. Participants included Rev. Phil Laurin, Bill Naumann, Ray Jenssen, Dick Erickson, Bruce Jablonski and others. We hear it was hilarious. The surprise party itself, of course, was heartwarming.

ANTIOCH IS GOING TO MISS Dave and Joy Frook of Winsor Drive after they move to Green Bay, Wis., in mid-September.

Joy said her family will miss Antioch, too, of course ... but they're headed for another excellent community. Life in Green Bay isn't much different than life in Antioch.

Dave works for the Fort Howard Paper Co. of Green Bay. Joy has been working at the high school and we'll

Jaycees to join fight against muscular dystrophy

The summer general assembly meeting of the Illinois Jaycees was held in Quincy.

Members of the Antioch Jaycee Chapter attended the weekend meeting to meet with members from across the state of Illinois and learn about new programs and projects in their efforts "to build better communities."

It was announced that the Illinois Jaycees have joined the Muscular Dystrophy Association in raising funds to find a cure for the disease and other related crippling neuromuscular disorders.

More than 16,000 young men are now members of the organization in Illinois. This is an all-time high.

Anyone interested in joining the local Jaycee Chapter should contact Bill Groeninger at 395-2700 days or 587-1877 evenings.

miss seeing her there.

They'll be getting the Antioch News in the mail every week, so we'll keep the Frooks posted on all the antics of Antioch.

THE PROUDEST PAPA in town, we think, is John Hedberg of Pickard China. His wife, Leta, presented him with a beautiful baby girl on Tuesday, Aug. 23 at Lake Forest hospital. Jennifer Ann weighed 7 lbs. 11 oz. and if you want to see a man beam ... look at John Hedberg.

RECEIVED A POSTCARD from Joe Titus while he was in England the last couple of weeks.

"Great flight and obviously a great city," Joe wrote from London. "It looks as though the stay will be much too short."

The postcard included a beautiful color photo of the Houses of Parliament, Westminster Bridge and the Tower of Big Ben. Westminster was the second bridge to be built

Rotarians welcome new teachers

NEW TEACHERS posed with Rotary Club officers and "Addi" Jonsson, exchange student from Iceland, at the club's annual luncheon last Friday. From left: Missy Fanning, who will teach third grade at Oakland School;

Susan Cucchiaro, a special education instructor; "Addi," Vern Thelen, president of Rotary; Janet Reich, new fourth grade teacher at Oakland, and Homer White, vice president of Rotary.

EMMONS SCHOOL had two new teachers at the Rotary luncheon last Friday. From left: Lee Ipsen of the Rotary Club; John Kakacek, superintendent of the Emmons district; Cathy Barber, who will teach English, and Judy Morrison, music teacher.

THE NEW SUPERINTENDENT of the Grass Lake School district, Albert Palucci (left), posed with his school's new teachers: Maria Riccio, Suzi Kostluk and Patti Small.

ANTIOCH HIGH SCHOOL'S new teachers were photographed at The Country House with Douglas Johnson, business education chairman, and Warren Polley, superintendent. From left: Deborah Oliver, Mr. Johnson, Karen Chilcote, Susan Palombo, Mr. Polley, Elizabeth Overocker, John Whitehurst and Timothy P. Noonan.

THE ROTARY CLUB OF ANTIOCH held its annual luncheon last Friday, welcoming the new teachers who are joining local schools this fall. Above are teachers from Grade School District 34 (from left): Mary

Fritsch, Lucia Moran, Jennice Fritz, Susan Lynch, Superintendent Henry Meyer, Sally Schoenberg, Mary Ann Petkus, Valerie Taylor and Carla Wennstrom.

EDUCATORS AND ADMINISTRATORS from Antioch High School joined some of

their new teachers at the luncheon held at The Country House. From left: James Corrigan, head of the English department; Ken Wierschem, business manager; Michael P. Gordy, Jean M. Kramer, Delmer A. Pechauer, Patricia Goodrich, Principal Art Blecke and Thomas L. Herziger.

AUCTION ITEMS NEEDED!

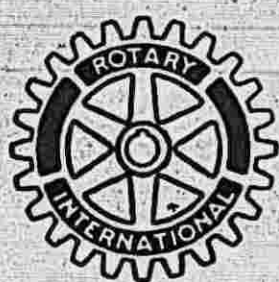

The Rotary Club of Antioch will hold its annual barbeque and auction on Saturday, Sept. 17. The club needs auction items that are really saleable.

Proceeds of the auction are used by the Rotarians for worthwhile community projects.

Persons who would like to donate such items can call any of the Rotarians, including president Vern Thelen at 395-3313, or Jerry Pfarr at The Antioch News, 395-5755.

over the River Thames in 1739.

"Across this bridge on a red double-decker bus, past Parliament was an experience," said Mr. Titus.

One of the things that really turns me on is London. I might just hop a plane tomorrow and next week's column will be datelined:

"LONDON -- (Special from Annie Mae) ..."

Louise Gutowski tells us the Lake Region Homemakers are actively planning their fall dinner and fashion show at Andre's Steak House in Richmond on Oct. 19. The title of the event: "Sew and Show."

Tuesday was the 25th wedding anniversary of Mr. and Mrs. Bernard Stadick. They celebrated last Saturday with about 75 persons joining them at a local restaurant.

A VERY HAPPY anniversary to Gerry and Blaine Ring. They were married 37 years ago today, Aug. 31.

Another anniversary is coming up Sunday, Sept. 4. Four years ago on that day John Teresi and Ray Scarpelli opened the doors of their new beautiful new building on Rte. 173, Teresi Chevrolet-Oldsmobile.

We know that Dick Daniel of the State Bank has a birthday coming up either Thursday or Friday, but we're not sure which day. We'll just have to stop in at the bank on both days and see when they bring out the cake.

I told you earlier that I lost my little black book, but I'm sure that Saturday, Sept. 3, is Mayor Mike Haley's birthday... and I think it's Dick Stroner's top.

And could it be possible that Sunday, Sept. 4, is Bill Brook's birthday? That's what my memory tells me. I also think Monday, Sept. 5, is Irv Walsh's birthday. Happy birthday, Bill and Irv, whenever you decide to celebrate.

YOU KNOW THAT THERE are three signs of old age. The first is that you forget things and the other two I can't remember.

WE ENJOYED A RECENT remark by the president of the Waste Management Inc., as reported in the Chicago Tribune:

"It's a funny thing about garbage. Everybody wants it picked up, but nobody wants it put down."

Oakwood Knolls elects officers

The Oakwood Knolls Property Owners Association elected officers last Wednesday.

Joe Veith was re-elected president and Chris Kellogg was named vice president.

Secretary is Doris Veith and treasurer, Mary Labant.

Happenings

A ROAST beef cafeteria dinner will be served to the public at 12 noon Thursday by the Millburn Ladies Aid at the Millburn Congregational Church.

The Beachwood-Blunts Park Improvement Association, across from Kempf's Resort, will hold its annual picnic Sunday, starting at 1 p.m. in the subdivision park on Petite Lake.

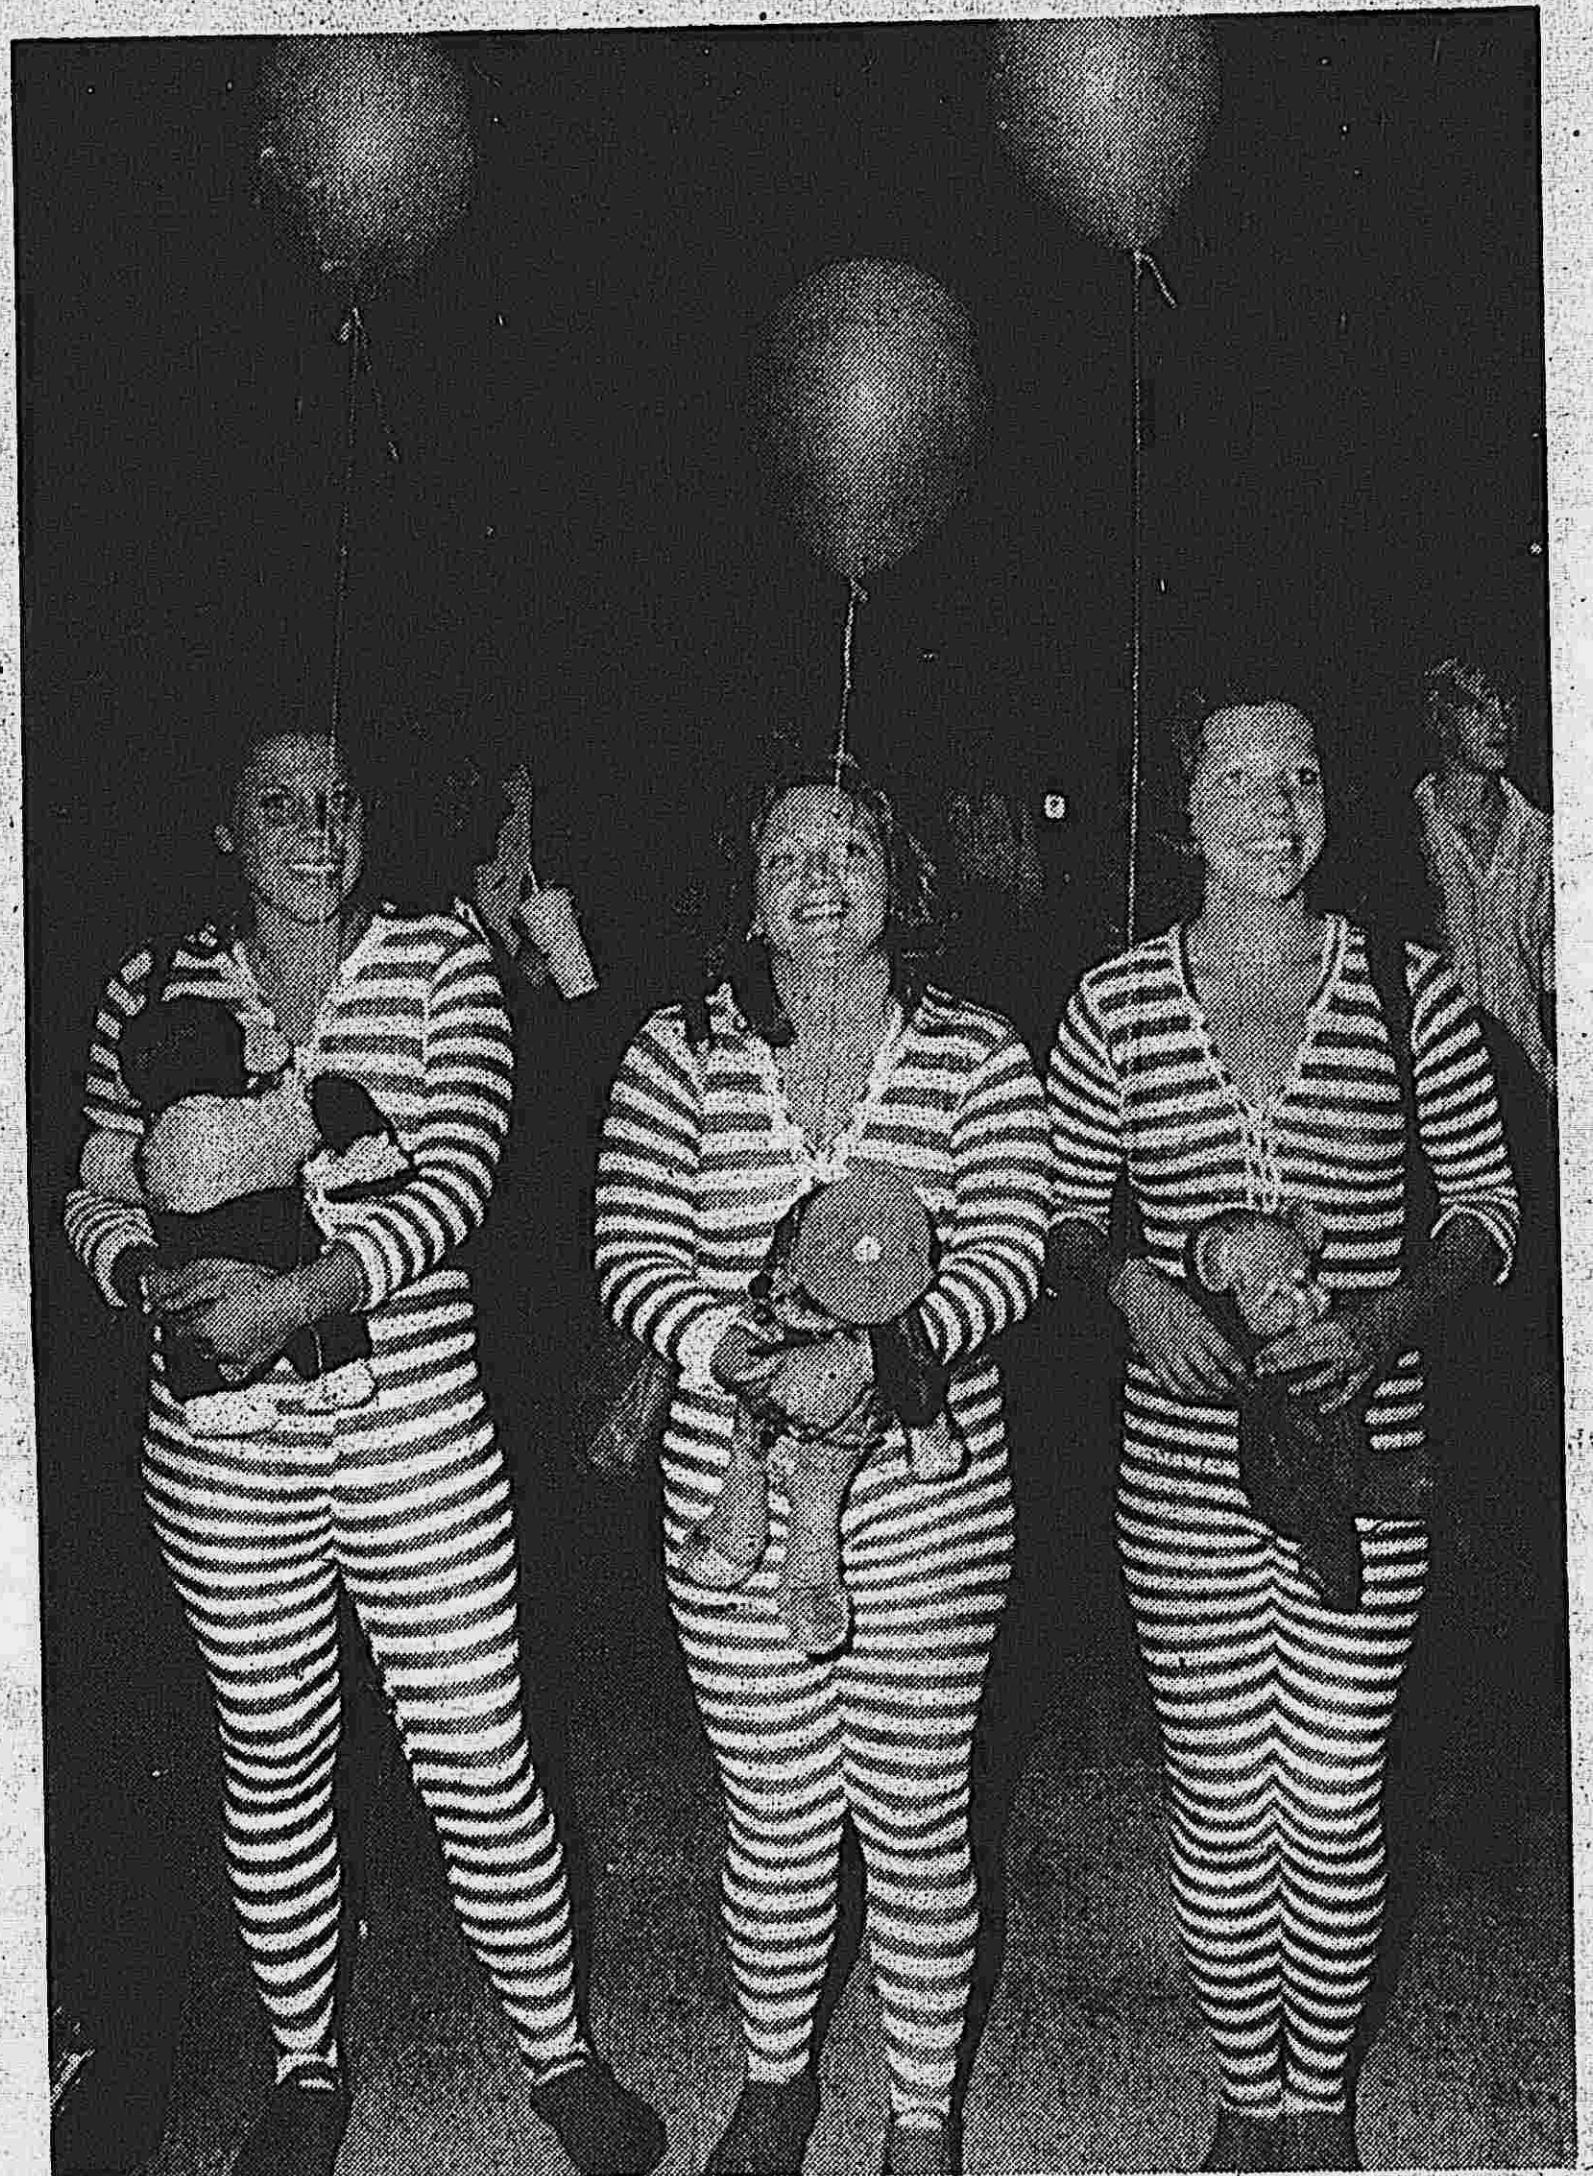

Monday, Sept. 5, is a rain date.

A hind quarter and a fore quarter of beef will be given as first and second prizes. Winners need not be present for those, but must attend to qualify for other prizes to be given away.

Tickets can be purchased at many of the resorts on Petite Lake and through the residents of the subdivision.

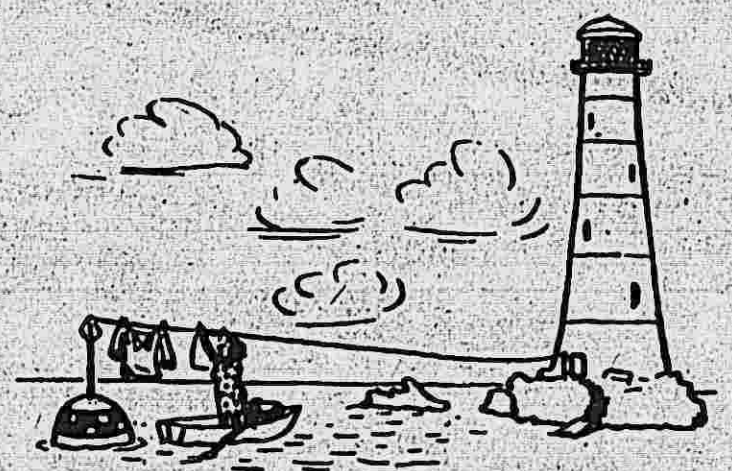

The association will be serving chicken, brat-wurst, hot dogs, sweet corn, pop and beer for a small donation. There will be a baseball toss, bean bag toss and other games.

The proceeds of the annual picnic are used to maintain the subdivision's roads.

THESE AREN'T escaped convicts ... they're participants in last Thursday's Moonlight Madness pajama contest. Chris Mors, Sandy Morgan and Debbie Stannard came dressed in striped pajamas, and held balloons and dolls, like good little girls. (More pictures on back page.)

By BARB CORBIN

Using cash instead of credit cards can bring discounts up to 10 percent. Many travelers use credit cards as a more convenient way to pay bills than carrying cash or travelers checks.

While they are convenient, credit cards have drawbacks. For example, they aren't accepted everywhere. If you don't take along at least some traveler's checks or cash, you may have to pass up a good bargain because the shop doesn't accept credit cards or at least the ones you use.

Then there's the interest charge levied by the credit card company, in most cases at an annual rate of 18 percent if you don't pay the whole bill each month.

Along with these drawbacks, a growing number of travelers to other countries find another snag to using their credit cards. Some merchants increase the price of an item when you say you wish to charge rather than pay cash.

While shopkeepers in the United States are prohibited by law from raising prices for charge sales, there's no such restriction in most places abroad. Shopkeepers understandably prefer to avoid the charge to them made by credit card companies, and the time it takes to receive their payment from the firm.

While some proprietors penalize tourists who purchase on credit, there's another side to the story that can save you money. Some shop-owners, especially those who operate on a small profit margin, are willing to pay a discount to

BARB CORBIN

customers who make cash purchases. In fact, sometimes the sales person will offer the discount if he sees you pull out a credit card. At other times, the salesman will agree to give a discount which can go as high as 10 or 15 percent.

So why not offer to pay for a purchase with cash rather than using a credit card? This is a quick way of saving money. Just another bargain tip.

ARIES [March 21-April 19] - An organized week with clear cut duties should be established early. Attitude toward colleagues is important now as a good work relationship saves valuable time.

TAURUS [April 20-May 20] - Embarking on new adventures should be shared with loved one. Magnetism and personal appeal is high now; romance is favored. Enjoy entertainment.

GEMINI [May 21-June 21] - Be content with home life; don't expect too much from other family members. Shop for luxury items and conveniences for improvement in home decor.

CANCER [June 22-July 21] - Communication problems are simplified now as you are able to convey your thoughts effectively. Those who are best qualified seem willing to share the burden of additional duties.

LEO [July 22-August 21] - New ideas serve as a source for added inspiration. Creativity can be put to constructive use for career plans. Choices and decisions should be made with confidence.

VIRGO [August 22-September 22] - A positive and optimistic outlook puts you in the lead now. Be willing to launch new undertakings with assurance of a successful outcome.

LIBRA [September 23-October 22] - Settle differences, solve problems on a quieter basis. Don't leave room for gossip, actions are now more apt to be misunderstood so maintain a low-keyed week.

SCORPIO [October 23-November 21] - Hopes and dreams can now be realized; share new experiences with close friends. New acquaintances are also indicated so circulate in places where opportunities are abundant.

SAGITTARIUS [November 22-December 21] - Promote career plans with enthusiasm. Show superiors that you are capable of handling responsible duties. Speak out on important issues that hold your attention.

CAPRICORN [December 21-January 20] - A bit of new scenery can provide stimulating new ideas so travel if time schedule permits. Being practical and down to earth may be somewhat difficult now.

AQUARIUS [January 21-February 19] - Look into partnership opportunities that offer good investment outcome. Strive now for future security.

PISCES [February 20-March 20] - Associates may oppose your views but try to meet halfway as keeping on good terms is imperative. New challenges should be met with an energetic approach.

Teacher's Scotch Information Centre

PILLAR TALK

You may know a youngster who thinks he can do things better than an adult. He'll love this story.

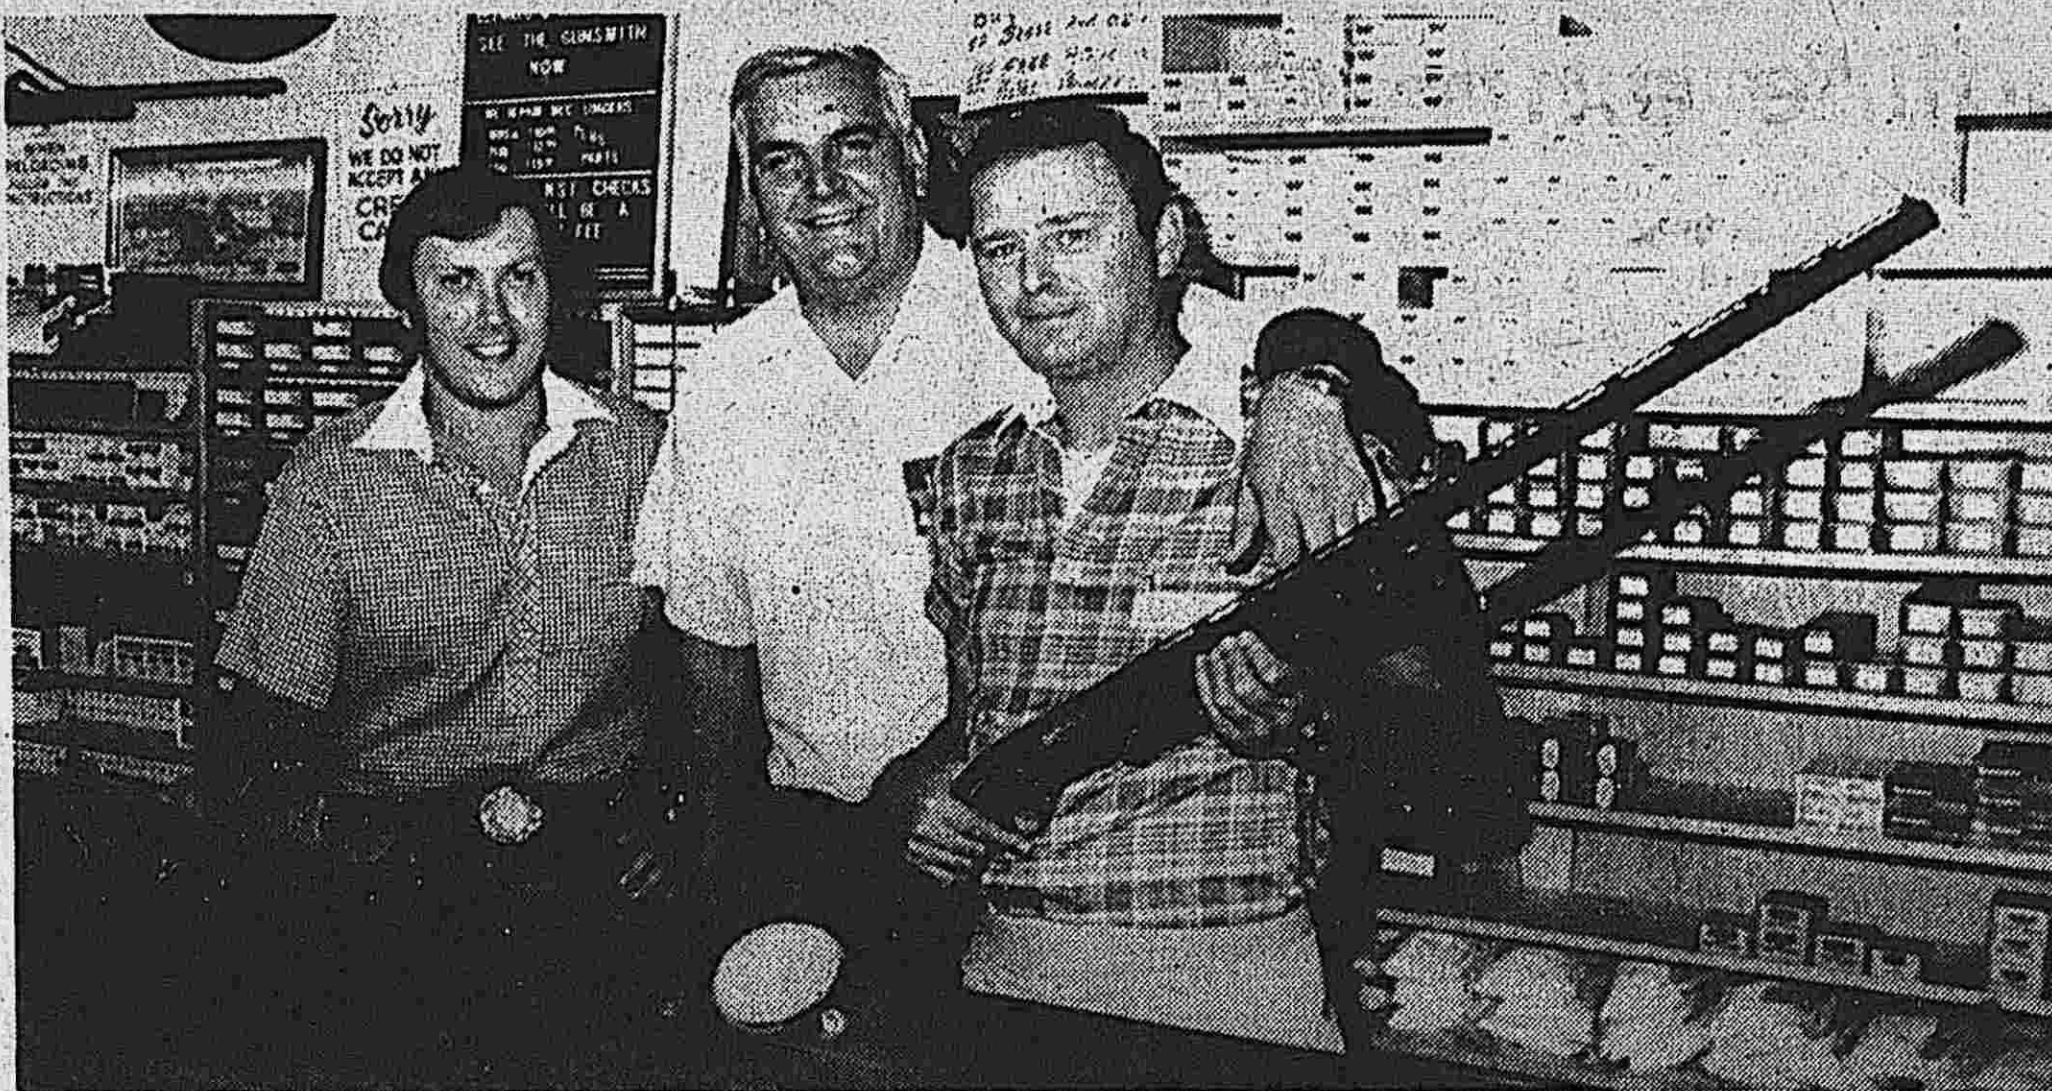

One of the most visited buildings in Scotland is the ancient Rosslyn Chapel, just south of Edinburgh. In it is one pillar that is much more beautifully carved than the others.

The guide who shows visitors around tells them that this is the "Prentice Pillar." It seems that the master mason in charge of building the chapel had to go to France and left his apprentice to carry on the work.

The apprentice spent much loving care on decorating this particular pillar. When the master mason returned, he realized that his apprentice's work was better than his own.

Jealous, he took a mallet and killed the boy and disposed of the body. Then he claimed the beautiful carved pillar as his own work.

But Teacher's Scotch Information Centre is glad to say that the truth came out, and the apprentice is conceded today as the carver of the pillar.

THEY LOOK LIKE PALS in this photo, but actually Art Moldenhauer (center) and Dave Bushing (right) are getting ready for a duel. Fortunately, they'll be shooting at clay targets instead of each other when Moldenhauer's Triple A Reloading trap-

shoot team (which includes Lou Olandese, left) takes on Bushing's Foremost Liquor team. The big "grudge match" will be at the Northern Illinois Conservation Club range on Saturday, Sept. 10, at 3 p.m.

Blair Subry wins another tournament

A 21-year-old Antioch golfer, Blair Subry, is making quite a name for himself in area amateur tournaments.

The blond, 6-foot son of Mr. and Mrs. Charlie Subry of Lake Marie won the Waukegan Amateur championship last Sunday, defeating Dan Plebanek, one of the best players from Kenosha, Wis., in a one-hole playoff.

Blair, a graduate of Carmel High School in Mundelein, will be a senior at Northern Illinois University in DeKalb this fall. He is a member of the university's golf team.

LAST SUNDAY, SUBRY tied with Plebanek after the scheduled 36 holes, both carding rounds of 74 and 73 on the par 72 course. But Subry parred the par-five first hole for the playoff win to finish two days of wet, windy golfing with the \$250 prize, the most allowed in amateur competition.

Rob Silvestri, first day leader with a 73, came in third at 149.

Subry has been playing outstanding golf this summer. He won the Al McLean Memorial Junior tourney in Wilmette for the second straight year, on Aug. 11. Subry won the 72-hole event by 12 strokes.

He also is a 180-average bowler but hopes to continue toward a career in golf.

'Big Brother' program needs more volunteers

"By telling my story, I hope I can encourage other people to get involved in the Big Brother program. We need all the good people we can find," said Fred Smetters, an Allendale School volunteer who has started in the program.

He and his wife, Candy, are now foster parents living at Allendale.

In 1974, Fred was accepted as a volunteer in Allendale's Big Brother program. Allendale, in Lake Villa, is a residential treatment center for young men between the ages of 8 and 18. The boys' emotional and behavioral difficulties have made it impossible to function in a normal home or community setting.

MANY OF THE BOYS come from broken homes; most have entered Allendale by legal referral, as runaways, or boys with repeated behavioral problems in their own homes which parents can't or won't solve.

Some are simply abandoned and have no other place to go. Allendale exists to give these boys complete shelter, education, recreation, and the counseling needed to return them to normal, independent lives - or as close to "normal" as they can get.

"These are boys who've never had a decent break in their lives," Fred told us. "When I heard about the Big Brother program, I just decided I'd try to help out."

EVERY WEEKEND FOR OVER a year, Fred travelled to Allendale to spend a few hours with each of two boys. They talked, played chess, went fishing, and shared other recreational activities.

The boys talked about their lives; Fred shared some of his thoughts with them, too, but mostly listened, and played the crucial supportive role the Big Brother program is designed to provide.

The boys need just what the names implies - a strong, trustworthy "big brother" to help guide them back toward a normal life.

"THE BOYS NEED an adult to trust," Fred said, "someone they can build up a confidence with, and tell things to that they can't tell their teachers or the other boys in the cottages."

"There's an awful lot of 'peer pressure' among the boys, and it's not always aimed in the right directions. An adult can be a very powerful listener and help absorb the frustrations the boys build up. They're trying to overcome some very negative background, and, even the professional staff here can't always get through to them. That's where we volunteers can really help."

AFTER SERVING as a Big Brother for one year, Fred and his wife Candy decided to commit themselves further.

They volunteered for the Visiting Resources program. Here, boys are allowed to leave campus and spend a weekend, or a vacation period, in the volunteer's own home. The goals and activities are basically the same as in Big Brothers but, in V-R, the boys experience an additional degree of freedom and responsibility - aimed to rebuild their personal "sense of community" and ability to eventually function constructively on their own.

"We'd report back to Allendale after each visit," Fred said, "describing the boys' behavior adjustment, and our own estimation of their readiness for an outside foster home placement."

"THE MORE WORK we did, the more committed we felt. Our own home was too small to be licensed for permanent placement of foster children. We realized that we'd have to move on-campus, in order to continue and expand our work. A little over a month ago, we did just

that. We moved into a house on the Allendale campus, along with our own two sons, Fred III and Jason."

Two boys were immediately assigned to move in with the Smetters' as foster sons. They attend classes, chapel and recreation activities with the other 42 residents on campus, but they live as foster children in Fred's on-campus home, instead of in the group cottages.

"What Candy and I hope to give our boys is a feeling of belonging to a family," Fred said. "We want to see them finish high school and get jobs, and become independent adults."

The Big Brother program needs more volunteers to spend a few hours a week, "one-on-one," with their boys. There are never enough Big Brothers to go around. It is not a large time commitment; immeasurable good can be accomplished with a modest commitment, if the volunteer is sincere, steady, and loyal to his boy.

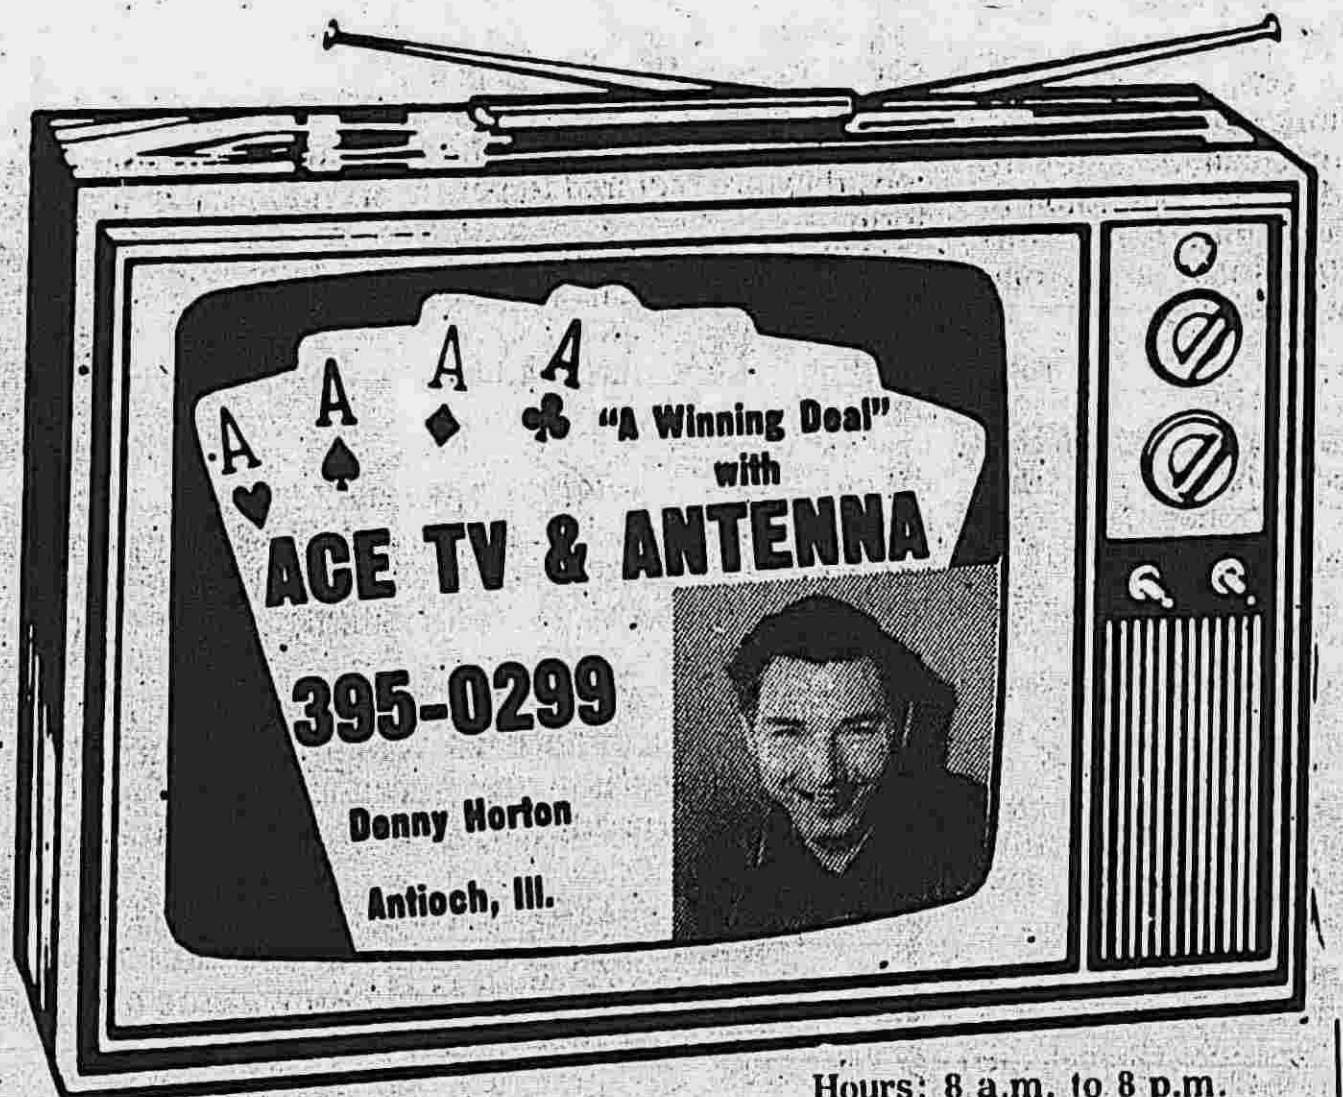

The minimum age for volunteers is 18. If you'd like to explore the program further, phone Pat Moen or Barbara Hyatte at the Allendale campus, 356-2351.

(Charlie) Anderson, Ed. Behne, Nick Marucci, Rich Higgins.

Class A - Andy Anderson, Vern Thelen, Dennis Korjenek Sr., Art Blecke, Dean Schultz, Al Atkins, Michael J. Sexton, John Hedberg, Robert W. Sarver, Timothy H. Osmond, Tom Lasco, Fred Popp, Bill Collins, Bob Knourek.

Class B - Jon M. Lasco, Bill Setek, Arthur Kelly, Bob Pedersen, Bernie Olszewski, Frank Rhode Jr., L.M. Woods, Ron Chilcote.

THE ENTRY FEE is only \$15 for 36 holes and includes green fees, plus trophies and prizes for the best players.

Sunday, Sept. 25, will be a rain date in case the tournament has to be postponed on either Sept. 11 or 18.

PLAYERS CAN EITHER walk or ride golf carts.

The tournament is the first of its kind for this area. All contestants will play from scratch against golfers of their own ability.

LAST YEAR'S tournament was limited to golfers from

the townships of Lake Villa and Antioch. This year it also will be open to golfers who live or work in Salem township. Players must be at least 16 years of age.

They will begin teeing off at 11 a.m. on Sept. 11 and at 1 p.m. on Sept. 18.

The top three finishers in each class will receive trophies. All other proceeds will be returned to players in the form of prizes.

SPRING VALLEY'S OWNER, John Wagner, said the course is in excellent condition for the tournament. The challenging layout looks plush after all the rain that fell in recent weeks.

Spring Valley, although not excessively long, is one of the best tests of golf in the area. One particular stretch of holes, the par-5 fourth, the par-3 fifth, the par-4 sixth and the par-3 seventh, could be placed on any course in the world and serve as a fitting challenge for the top professionals.

Yet, the entire 18 holes is a pleasure for any golfer to play.

For the first 18 holes on Sept. 11 the golfers will be paired at random in threesomes and foursomes. For the final 18 on Sept. 18 they will be re-paired according to their scores in the opening round.

Tee-off times for the Sept. 11 round will appear in the Wednesday, Sept. 7, issue of the Antioch News.

and Bruce Sutter as "ringers" for the game.

The Antioch Fire Fighters defeated the Silver Lake Firemen about 28-3 in a recent game and didn't need any outside help in that one.

We also understand that Pickard China beat Frostee Foam 20-16 last week. That score was too close. A rematch should be arranged.

Hammer hazards!

One of the most familiar hand tools in your household can also be one of the most hazardous.

We're talking about the nail hammer which, when in top shape, can be a joy to own and to use, but when in disrepair, can be a real danger to its user or anyone standing nearby.

The Hand Tools Institute (HTI) warns that one of the most common hazards in the use of striking tools is the chipping of a hammer face

which could cause a serious eye injury.

For this important reason, the Institute urges a close check of your present hammers to make sure they are in top condition and equal to the jobs they are required to perform.

HTI recommends that you closely inspect the hammer's face for signs of chipping or spalling. If the tool shows any evidence of chips, dents, cracks or excessive wear, discard the hammer immediately.

Sports Shorts

There are still openings for the Labor Day Weekend, Sept. 2-3-4, softball tournament at Hooker Lake Inn, Salem. There will be a Class C 12" slowpitch, double elimination (\$60 entry fee) tournament and a Class D 12" slowpitch (\$30 entry fee) tournament. For more information call Ken at Hooker Lake Inn (414) 537-2578.

Track coach resigns, Hahn to take over

The resignation of Gerry Sandberg, Antioch High School's head track and field coach, was accepted at last Thursday night's school board meeting.

Sandberg, who also has been an assistant football coach in past years, is working with an area construction firm. Whether he'll return to coaching and teaching physical education at another school is unknown.

Norm Hahn, Sandberg's assistant, will take over as head track coach next spring, Superintendent Warren Polley said Monday.

IN OTHER ACTION last Thursday the board hired Delmer A. Pechauer to teach physical education and as an assistant coach in football and track. Jean M. Kramer and Timothy P. Noonan were hired as counselors.

The low bids of Spinney Run for milk and Goldenrod for ice cream products were approved.

The tentative budget for 1977-78 was discussed. The budget is on display in the general office at the high school. The public hearing will take place at the regular meeting on Thursday, Sept. 22.

The board asked Principal Arthur E. Blecke and Attorney Ted C. Larson to develop a policy on corporal punishment for board review.

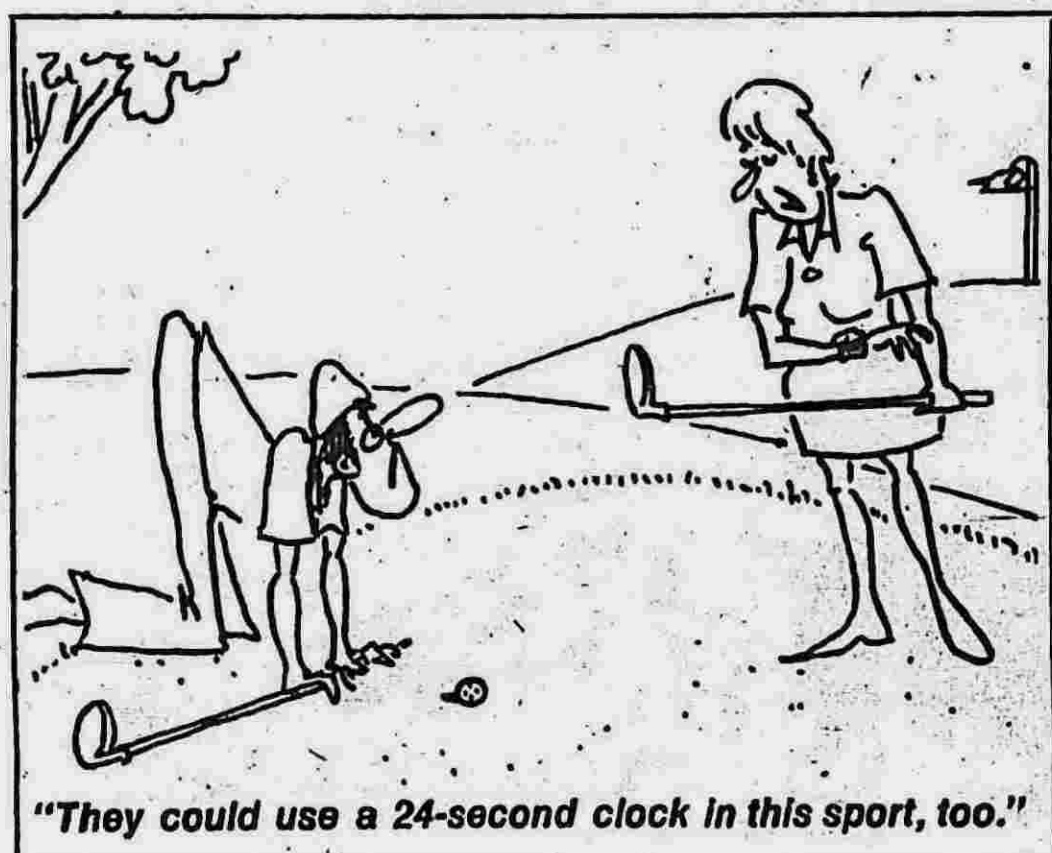

The director of curriculum and guidance, Edward L. Kurek, reported that the 1977-78 school enrollment is as follows:

Seniors - Class of 1978 ... 422, Juniors - Class of 1979 ... 429, Sophomores - Class of 1980 ... 479, and Freshmen - Class of 1981 ... 480, for a total of 1,810 students.

The tournament committee includes Pres Reckers, Rich Higgins, Jack Fields, Mike Haley, Bill Nauman and Jerry Pfarr.

Lots of excitement in Waukegan races

Ray Dixon and Dennis Topcik were the big winners on Saturday night at the Waukegan Speedway. Dixon picked up his first feature win of the season in the 25-lap sportsman event and point leader Topcik won the 12-lap hobby feature.

The sportsman feature started off with Fran Baumgartner leading until the sixth lap when he spun in a turn. Baumgartner's spin was in front of the entire field and sent a number of cars twirling around.

Dennis Roslansky's Mustang broke off a rear tire and the corner of his car erupted in flames. Quick work by Director of Competition Jim Dean and fellow driver Rich Bielfuss, who jumped out of his own car, extinguished the fire in seconds.

Dixon, in his Buick Skyhawk, took the lead on the restart and held off the repeated challenges of Dan Hagi and Don Collins of Antioch to win the event. Dixon was followed across the line by Hagi, the night's fastest qualifier.

ABSENT FROM THE FIELD was point leader Chuck Clark, who lost his clutch during practice; Bill McDonald, who lost his rear end; Ray Tocha, who blew a head gasket in a heat race, and Art Sternberg, who blew the engine in his newly-acquired sportsman car during practice. Ron Shearer won the "Beat Your Neighbor"

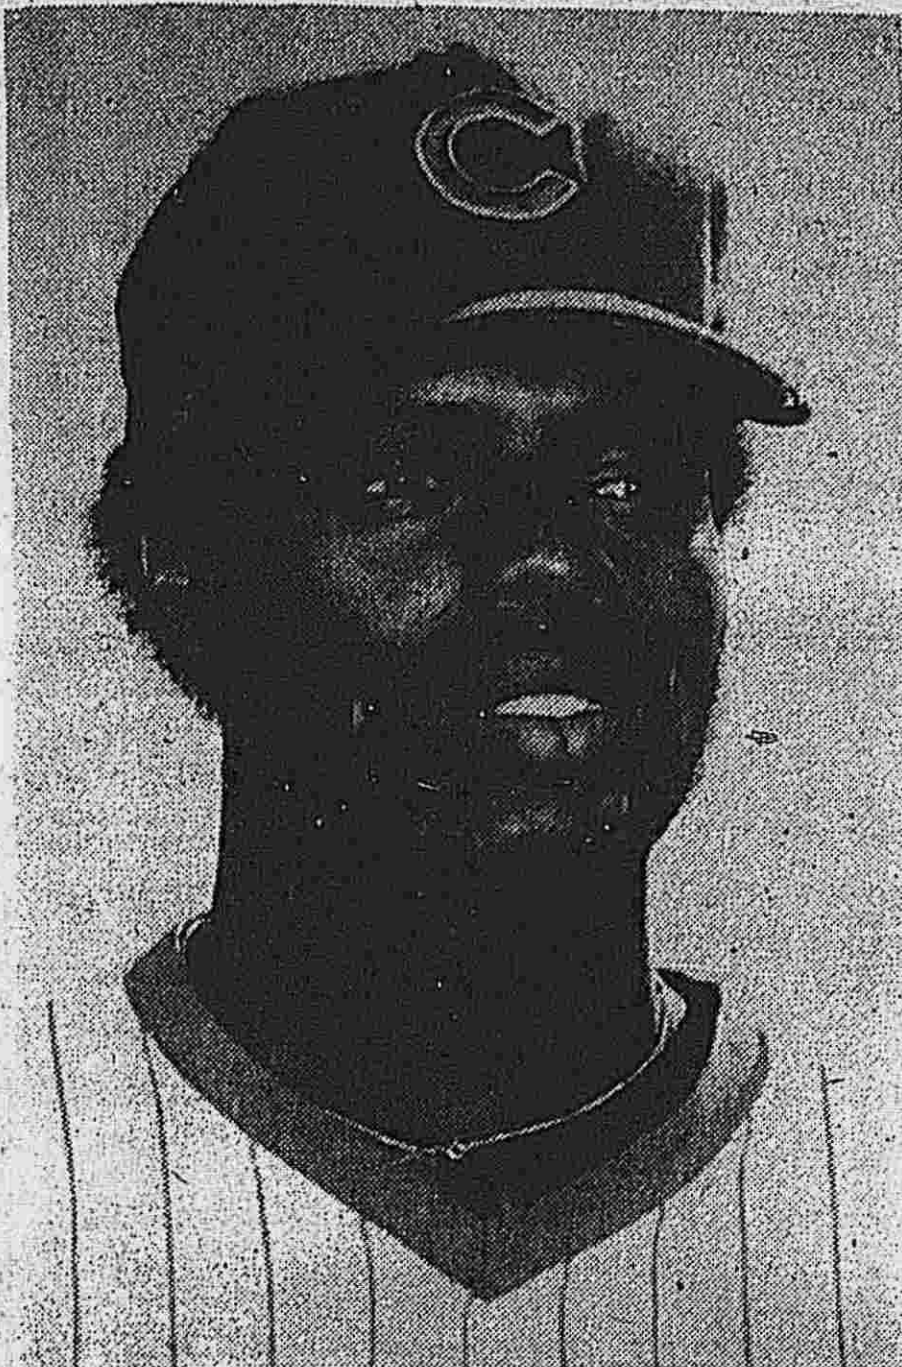

championship for the seventh time but it wasn't easy as a red pickup gave him all he could handle in the final race. Shearer won by inches.

A special tow truck race was held with Donna Edmonds winning.

Sportsman season trophies will be awarded this Saturday night following the races.

Hand motions are produced by more than 30 pairs of muscles.

RAY BURRIS of the Chicago Cubs will speak and sign autographs at 7:30 p.m. next Tuesday, Sept. 6, when Antioch's Little Leaguers and Babe Ruth players hold their annual awards program at the high school gym. Lions Club and Little League beef raffle winners also will be announced, with the beef donated by the State Bank of Antioch. Burris joined the Cubs' organization in 1972 and became a starting pitcher in 1973. The program is open to the public.

Dug Out Park in Trevor, Wis., is finishing its softball season with two more tournaments.

On Sept. 10 and 11 there will be a Mixed 16-inch tournament. Entry is \$35. There is a consolation division so each team is guaranteed two games. There must be a minimum of five girls per team and men will bat opposite hand. There are trophies for first, second and consolation champs and championship emblems for first.

On Sept. 17 and 18 there will be a Fall Finale 16-inch open invitational tournament. Entry is \$60. There will be a consolation bracket and each team will furnish one game ball.

There are trophies for first, second and consolation winners, also traveling expenses.

For more information contact Tom Furlan at (414) 862-9136 or (312)

395-5788.

The park is on Hwy. 83, two miles north of Antioch.

TWO OF Antioch's best distance runners of recent years are brothers Mike and Bill Harland.

Bill was a star on the high school team last spring, running the half-mile in 1:55.2 in the state championships. He is now a freshman at the University of Colorado on a navy ROTC scholarship. The big problem is whether he'll be able to get free from navy drills to continue his track career.

Mike will be a junior this fall at Southwest State University in Marshall, Minn. Since leaving Antioch High, Mike has enjoyed a fine college career in cross-country during the fall and distance running during the spring track season.

Pajama contest highlights Moonlight Madness fun

CONTESTANTS IN THE pajama contest attract the judges' attention. From left: Tony Maglio, Debbie Christensen and Lynette Christensen. We didn't get the name of the girl on the right, darn it.

FOUR OF THE YOUNGSTERS who took part in the Chamber of Commerce's annual Moonlight Madness pajama contest last Thursday night were (from left): Tracy West, Beth Haley, Roxanne West and Kathy Haley. Beth and Roxanne were two of the winners.

TWO OF THE JUDGES of the pajama contest were Adrian "Ace" Mueller of Antioch High School and Sandi Stewart of Four Squires. They had the difficult task of picking winners out of the many children who came to the water tower in cute and clever sleeping costumes.

WINNERS OF USED CARS, donated by Lyons-Ryan Ford and Teresi Chevrolet-Oldsmobile were Rose Gardula (left) of Antioch and Clinton Ingalls (right) of Chicago. In the center is Christine Pionke, executive director of the Chamber of Commerce.
